June 2020

Dear Parents / Guardians,

Attached is the booklist for your child's class in 2020/21. We realise during these uncertain times that we do not yet know under what format we will open in September but we must prepare regardless for the children's transition to their new class level.

The booklist highlights the books you need to purchase yourself, which we have tried to keep to a minimum. The books are available locally from Cobh School Books (now located on Bishop Street) as well as from other suppliers outside of town. All other books, readers and resources are provided by the school under our book-rental scheme.

The cost due for each child this year is €95. The costs cover all the resources we supply to your child. In the interest of fairness we would ask that all families make an effort to pay this cost. Parents who have not paid will be required to supply their own resources, books and book rental items. If there is any difficulty paying these class costs, please speak to the principal / deputy to make suitable arrangements. Families that have not paid the costs without explanation will be required to furnish all the necessary equipment, books and book rental items themselves. These items will not be available from the school shop.

The school does not ask for 'voluntary contributions' in that the class costs cover actual materials that your child uses. If the school did not provide these materials, you would have to purchase them yourself. The cost also covers the activities such as Zumba, tennis, drama, visiting teachers and subsidises swimming lessons for various class levels. We hope that 3rd class will be going swimming this year – subject to restrictions and guidelines. There will be an additional charge of approx. €35 for children who wish to avail of swimming lessons with their class. You will be notified of exact dates next year.

You will also notice a new item called 'Spellings for Me'. This is a new approach to learning spellings. Each child will have an online account which will track the child's spellings and tailor the new words for learning specifically to the child. Effectively, each child will have their own unique spelling programme. More info will follow in the new term!

We thank you for your support and cooperation as always!

Le meas,

Príomhoide
