**E-mail:** [office@saintals.ie](mailto:office@saintals.ie)

Dear Principal/Sixth Class Teacher(s)

I hope that you are keeping well in these strange times, it is at the time of year where we would normally have our Open Night in St. Aloysius' College and welcome your 6th class girls into our school to show them what being in St. Al's is about. Unfortunately, this isn't possible this year and with the current restrictions it isn't feasible to visit your school to talk to these students either.

This means many students may have questions about what our school is like. We are putting together an informational video but we hope that students will listen to the feedback of our current and past pupils when making a choice of school. Here is St. Al's, we pride ourselves on being a caring environment that looks to bring out the best in our students, both socially and academically. Our academic results have been exceptional in recent years, with success at the BT Young Scientist and 6 of our Leaving Cert class of 2019 winning academic scholarships to Trinity, UCD, UCC, UL and Mary I.

This year will be the first year of common enrolment dates within the region and enrolment will open online from **October 1st until October 23rd**. While we have a lottery system in place for entry, there are certain categories that some of your 6th class girls may fall into which would secure them a place. Often students think it is not worth applying because of the demand, we don't believe this to be the case, if you think St. Al's is right for you then please apply.

In addition, we have 5 places available for automatic entry from our order if you have some students of exceptional academic ability. These can be applied for by writing to the SMG Sisters at:

**Sr. E. Sheehan, School Admissions, St. Aloysius' Convent, Carrigtwohill, Co. Cork.**

We would just ask that you please mention our school to the female students in your 6th class group and tell them about the enrolment dates and that further information can be found at [www.saintals.ie](http://www.saintals.ie). If students/parents have questions or need assistance they can contact the school at [office@saintals.ie](mailto:office@saintals.ie). If you would like to speak to me please phone me at 021-4883341 and I will call you back at a time that suits you.

I sincerely hope that the coming months keep you and your staff and students safe. Finally, just to say a big thank you for your support and for sending on to us such fantastic young people. They are a credit to the good work that goes on in your school.

Kind regards,

A handwritten signature in black ink, appearing to read 'Seán Twomey', written in a cursive style.

---

Seán Twomey
