HEALTHY EATING RELAUNCH 2022

- Hi Everyone,
- We want to let you all know that we are having a fresh start to Healthy Eating from this month onwards in BSRAC!
- · All parents will be sent our brand new Healthy Eating Policy this week – this explains how important a healthy lunch box is.
- · By eating lots of healthy snacks, fruit, veg and drinking lots of water, we can improve our energy levels and keep fit. Eating healthily helps our concentration in school and can also put us in a good mood all the time!
- · Your teacher will pick someone each month to be awarded a CERTIFICATE for Healthy Eater of the Month.

HEALTHY EATING RELAUNCH 2022 (CONTINUED)

- · Remember boys and girls – preparing your lunch box each night before school can be fun! Help your parents with selecting and preparing your healthy snacks and be adventurous!
- · Try out some new foods that you have never had before on TASTE IT TUESDAYS! (First Tuesday of every month)
- · Healthy Eating poster competitions and the Food Dudes to come this month!
- · We can get the first day of spring off to a great start by having class discussions about how we can improve our lunch boxes – maybe even make a list of all the healthy snacks we can eat from our balanced food pyramid.
- · Don't forget your Friday treat should be small, nut-free and ONLY fun-size!
- More to follow soon boys and girls regarding our relaunch of HEALTHY EATING..... Let's make that change starting today!....

HEALTHY EATING COMPETITION

- HEALTHY EATING / HEALTHY LUNCH BOX ART COMPETITION – OPEN TO ALL CLASSES – LET'S GET CREATIVE!!
- To mark the start of our Healthy Eating Relaunch in BSRAC this month – Design a poster that promotes the benefits of Healthy Eating and include a catchy slogan.
- We will select a winning poster from each class level and there will be some very nice prizes for the 9 winning entries.
- We will put the posters on display around our school for the month of February to remind us all about the benefits of having a healthy lunch box!
- The 9 winning entries will be featured on the school's Instagram page for the whole school community to admire!
- Your teacher might give you some time to get creative in-class and you can finish your poster at home.
